THE RECENT BOXING TOURNAMENT TO THE EDITOR OF THE "HONGROUG TELEGRAPH," DEAR SIR,-I have heard from a good authority that the late Boxing Tournament, promoted by Mr. E. T. sure it was about the best exhibition of boxing

ever seen in the Far East, and the promoter

deserves every credit for the trouble he must have taken in getting together such good talent and furthering the noble and manly art, Considering that Mr. Robinson did his best to make it's success I do not think it would be fair to allow such a sportsman to be at any loss whatever in connection with the above exhibition and therefore, as a lover of sport. #### SHANGHAI TRAINING NOTES

Saturday morning was dull and foggy, with a puffy wind blowing, making it unfavourable for fast times. There was a large number of spectators to witness the "pows," but nothing remarkable was done in the way of time, but the gallops were, it must be admitted, all of a very interesting nature.

The first two ponies I saw on the course were Home Guard (Mr. Pond up) and Bold Heart (boy); they were sent for it miles at a good racing pace, the former, in spite of his heavy weight, having much the best of the gallop and finishing strongly in 3,20, last quarter 33 secs. On this form, Home Guard will be hard to best whenever he starts. Mr. Juan's Kobold and Bouton d'Or travelled 11 miles in 3.27, all out. Quidnunc (a roadster), Mr. Midwood in the pigskin, went for a mile, finishing all over the place in 2.17. Noirmont (Mr. Machado) and Boreas (Mr. Read) were sent for 11 miles for all they are worth, first quarter 29 secs., second 31 secs., one mile 2.12, and the whole distance in 3 20, last quarter 32} secs., an excellent performance. Mr. Buxey's "crack" griffin Royalist (Mr. Pond) and Rival (boy up) galloped 14 miles, the "crack" running away from his stable companion, and doing the distance in 3.24, last quarter 33 secs. Hats Off (Mr. F. Dalias) was ridden out ? of a mile in r.38, and this pony should be very near the Trial Stakes. Black Leaf (Mr. Midwood) cantered 11 miles in 2.53, last quarter 33 secs., Renegade a 'sub,' joining in at the mile. Porpoise (Mr. Sampson) went 12 miles in 2.502 secs., last quarter 34 secs. Mr. Sylva's Majestic, going alone, negotiated rimiles in 3.20% sees.; the same owner's Teutonic.

I am sorry to hear, is lame, as he proved himsalf very fast up to one mile last meeting. Mr. Susa's happily-named griffin Mixture, the Major's Chance, and the "leedle bonny" Atoner, then powed 11 miles, the first named finishing alone in 2.461 secs., last quarter 32 sec.; a fine performance which shows that in spite of being trained to finish at the Widow's Monument he can reach the Judge's box in good time. Atoner, "poor leedle fellow," was tailed off (give him more salts, and put his feet into hot water before going to bed, Mr. Susa). Leviathan's black griffin Medallion beat his stable companion Thunderbolt 11 miles in 3.21} secs. I am of opinion that Medallion could have done better if he had not been held back in the first part of the gallop; nous

. Mr. Sassoon's crack griffin Primrose (Mr. Dallas up) played with Etruria in a 11 mile gallop, finishing strong in 2.45% secs., 33 secs? last quarter.

Boyrii (Mr. Rennie) was sent for a mile and a half, finishing in good style in 3.21 secs., last quarter 34 secs. Bloater joined in at the last mile, and I clocked him 4.17} secs. The invalid-Hero cantered 11 miles in 3.181 secs., last quarter 444 socs.

Mr. Mustard's The Pilot (Horse up) 4 of a mile 1.382 : send him to sea. Harry "Mr. Ring's Katzenjammer galloped ti miles 3.25}; Comus and Guarantee went the same distance in 3.23, Guarantee having the best of

SAT SECS. Mr. Ring's Kismet and St. Galmler went 12 miles in 2.52} secs., last quarter 34} secs. The sanguine Mr. Troy sent his Golden Chance 12 miles in 3.25 secs. There is some doubt about the last quarter, the times given varying from

24 secs. to 35 secs. The pow," however, was perfectly marvellous! Zephyr showed he had not lost any of his old form by doing 14 miles in 2.104. last quarter 32 secs. Hohessollern trifled with Bagatelle, another of Mr. Sassoon's large stable, in 3.32 for 11 miles. The Hongkong Derby winner Lightning was ridden out in 3.22 for 11 miles. Mighty took 3.25? for the same distance, last quarter 32; sees.
